July 31, 2020

Hello everyone,

It is hard to believe that we are at the end of July and moving into the Civic holiday weekend.

I wanted to take this opportunity to inform you that we continue to have no active COVID-19 cases at any of our sites.

As you know, outdoor and indoor visiting is in place across our sites and they are being well received. We are excited to continue to see our clients and residents connecting with their loved ones. We are adhering to all the best practices and the directives set out by the provincial government and public health authorities to ensure the overall safety and well-being of our clients, residents, staff and family members.

We continue to post updates and documents on the website to help you navigate the new procedures relating to visits. Please use the links on the website to attain further information. Please also continue to reach out to your contacts at our sites if you have any questions.

A special thanks to our incredible staff for being so committed to our clients, residents and family members – you are doing a fantastic job and are very much appreciated.

I hope that everyone has a good long weekend. Be safe!
