Hello everyone,

I wanted to take this opportunity to inform you that we continue to have no active COVID-19 cases at any of our 17 sites.

I also wanted to take this opportunity to thank our staff and family members for working with us during these challenging times. We are aware of a number of outbreaks in the community and we continue to review our precautions to ensure the safety and health of our clients, residents, staff and family members. Please continue to refer to our visiting guidelines outlined above these updates.

I will continue to post any significant updates on this website. Once again, if you have any questions, please feel free to make contact with the leaders at the various sites.

Take good care,
