

September 21, 2020

Hello,

I hope that everyone had a good weekend and enjoyed the pre-fall weather. It is to be warmer this week as we enter fall so I hope everyone makes the best of the warm and sunny days.

I continue to be pleased to inform you that we have no active COVID-19 cases at any of our 17 sites.

We continue to exercise all precautions as directed by the provincial government. As the provincial numbers continue to be higher relative to some of the summer daily numbers, we will continue to monitor these as well as any new directives from the government.

As always, I will post any updates on this website should any significant changes occur.

Please continue to be diligent to ensure the health and well-being of all of our residents, clients, staff and family members. Have a great week.
