Integration. Inspiration. Independence.

March 26, 2020

Hi everyone,

I wanted to provide you with a quick update today – we are really happy to report that we have no active cases of COVID-19 at any of our sites.

I had the opportunity to visit a number of our sites today adhering to social distance precautions and once again, I was touched by how our leaders, staff, clients and residents are managing through this challenging time. Please have a look at the Thrive Group facebook page to hear about some of the great stories we heard from our clients, residents and staff – they are truly remarkable.

Stay tuned for more updates tomorrow.
